### About SKNAU Jobner

Sri Karan Narendra Agriculture University (SKNAU), Jobner-Jaipur was established in 2013 by Govt of Rajasthan under Agriculture University, Jobner Act, 2013(Bill No 39) with a view to impart teaching at the University or college level, conduct research and extension education programmes in the field of agriculture. The territorial jurisdiction and responsibility of this University extend to the districts of Jaipur, Sikar, Alwar, Dausa, Tonk, Ajmer, Bhartpur and Dholpur

### About RARI, Durgapura

The Rajasthan Agricultural Research Institute (RARI) in Durgapura, Jaipur, is a key agricultural research center affiliated with Sri Karan Narendra Agriculture University, Jobner. The MSc and PhD programs at RARI Durgapura are designed to provide advanced education and research opportunities in agriculture. Both programs emphasize research and fieldwork, equipping students with expertise to contribute to agricultural development and sustainability.

### About Shree International

Shree International deals with the wholesale & trading of wide amount of products primarily catering to the varied needs of medical sector, limited agriculture sector and other sectors. The company has SAN, DL, MD-42, MSME & other certificates. The company is offering best quality products in the market since 2016.

### About the Workshop

Technical writing is the process of presenting research findings, ideas, or arguments in a structured, formal document, typically intended for academic or scientific audiences. It requires careful organization, beginning with an introduction that outlines the research question or thesis, followed by a methodology section detailing the approach, a results or analysis section, and a conclusion summarizing the findings. The goal of paper writing is to clearly communicate new knowledge or perspectives while adhering to academic standards and undergoing peer review. The workshop aims to bring in experts from the field to conduct interactive sessions, demonstrations, and hands-on activities that align with the academic curriculum. This academic event will greatly benefit our research scholars and faculty members by enhancing their practical knowledge and skills in this area.

### Objectives of the Workshop:

1. Build strong research methodology and data analysis skills
2. Enhance proficiency in drafting clear, structured scientific documents
3. Promote ethical research practices and integrity
4. Foster effective communication
5. Encourage collaboration and constructive feedback among participants
